About this item

- 【All in 1 Function】Our bicycle pedal wrench features two 15mm spanners, one 9/16 inch spanner, and three 6-8/10mm hexagon sockets, making it suitable for various pedal sizes and types. It even allows for removal of the pedal shaft, making pedal maintenance easy.
- 【High-Quality Craftsmanship】The bike pedal wrench tool made from heavy-duty steel and featuring precise laser cutting for a smooth, burr-free surface, our bike pedal removal tool is built to last. The 5mm thickness and quenching heat treatment ensure durability, making it difficult to break or damage
- 【Ergonomic and Innovative Design】The elongated handle(320MM) provides ample leverage.
